

Activity 13

Level 1

Title:

Working with numbers (3)

www.fundaciondiabetes.org

Can you write the following number, on the screen of this measuring device?

Five tens and three units.

Write, in words, the next number up from the reading that's showing on the screen of this measuring device.

The next number up is
_____ hundred,
_____ tens and
_____ units.

Your friend's glucose reading is 53. He drinks a fruit juice and, five minutes later, his glucose reading soars, to 128. How much has his blood-glucose level gone up by, thanks to the juice?
